PROFILE

I am a dedicated professional with over eight years of experience . I have strong analytical and decision-making skills, with expertise in risk assessment, fraud detection, customer service, underwriting processes, document management and regulatory compliance.
I have a consistent record of achieving measurable results including maintaining an 85% retention rate, implementing a Centralized Document Repository that improved efficiency by 30%, and leading recovery initiatives that realized over 7 million Kenyan Shillings. I was recognized as the Most Trusted Employee of the Year 2024 at APA Insurance, I therefore bring integrity and efficiency.
I seek an opportunity to leverage my underwriting knowledge and analytical expertise to contribute to portfolio profitability, operational efficiency, and sustainable business growth.

PROFESSIONAL EXPERIENCE

Business Processing Officer / Underwriting Officer – APA Insurance 06/2025 – Present
APA Insurance Nairobi

- To support new business acquisition and renewal processes by reviewing applications, assessing risk information and coordinating underwriting requirements to facilitate timely policy issuance.
- To identify business opportunities through engagement with clients and intermediaries and provide appropriate product and benefit information
- To manage client and intermediary correspondence, providing product information, clarification on benefits, underwriting requirements and policy terms.
- To prepare and review quotations, schedules, endorsements, debit notes and policy documentation in line with underwriting guidelines.
- To support portfolio retention through timely processing of renewals, additions, deletions and other policy servicing requirements.
- To collaborate with underwriting, claims, finance and other internal teams to resolve client requirements and facilitate smooth business processing.
- To conduct risk assessment using medical reports, claims history, lifestyle and demographic information to support informed underwriting decisions.
- To prepare and analyse renewal and portfolio reports to support business decisions and identify areas requiring intervention.

Achievements.

- I have contributed to 23% portfolio growth of over the last year while maintaining a retention rate of over 85%**.**

Claims Analyst 08/2018 – 05/2025
APA Insurance Company Limited Nairobi, Kenya
Duties:

- Conducted comprehensive provider analysis on provider performance, identifying trends and ensuring adherence to agreed-upon rates and compliance standards.
- Extracted data for analysis using SQL to support decision-making processes and ensure efficient claims processing.
- Created Excel and Tableau dashboards, and reports that provided actionable insights.
- Analyzed trends and patterns in provider performance using claims data to identify areas for cost savings and operational improvements.
- Assessed medical claims within the set standards.
- Maintained a high standard of customer service by responding to client inquiries through walk-ins, telephone, and emails.
- Effectively communicated with intermediaries and direct clients on policy-related issues.
- Audited overall claims settled, placing special attention to high-value, repeated visits, and duplicate claims.
- Enforced claims cost controls, e.g., co-payments, discounts, provider restrictions and waiting periods

- Maintained proper department standards, discipline, and confidentiality regarding patients' illnesses
- Collaborated with internal teams such as underwriting, finance, and customer service to address claim-related queries and issues.

Achievements.

- Implemented a Centralized Document Repository that saved 30% time, improved consistency, and team collaboration.
- Analyzed Data from Providers' Claims and identified inconsistencies, resulting in cost savings of three million Kenyan Shillings.
- Directed a recovery team to achieve Seven Million Kenyan Shillings recoveries, fostering collaboration and efficiency.
- I am an active player in the APA Handball team. Through this experience, I have not only developed my athletic skills but also cultivated invaluable qualities of teamwork, discipline, and perseverance.
